KG VIOLET COLOUR DAY – Feb 2

“The violets in the mountain have broken the rocks.”

The Violet Day celebration in KG was a vibrant and joyful event. The little ones dressed up in shades of violet and brought violet coloured objects. They learned about the significance of the colour and practiced their colour recognition skills. It was a fun and educational day for them.

LKG & UKG - FREE HAND DRAWING

Our talented KG kids have become amazing artists by mastering the art of free-hand drawing. With just a pencil and eraser, they happily sketched beautiful butterflies, colourful balloons, delicious ice cream, birthday caps, trees, and even candles. Their creativity knows no bounds, and they are definitely on their way to becoming future artists. So proud of them!

VISIT TO VEDANTHANGAL

Our class 9 Nature Club students had a fantastic time at Vedanthangal Bird Sanctuary. They spent over 2 hours bird watching and got to observe white ibises, grey herons, and spoonbills. The sanctuary provided great facilities like watch towers and information centres. The students learned about the birds' scientific names and their lives. It was a wonderful learning experience in nature!

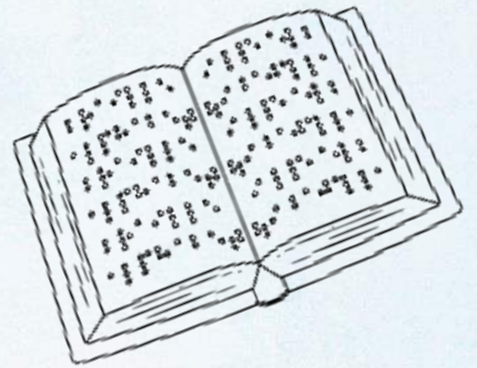

VALUE EDUCATION FIELD TRIP

CLASS I

96 students along with 4 teachers, 1 sub-staff and 5 parent volunteers visited the Babies Home at St. Thomas Mount Shrine. They interacted with 19 toddlers and presented sister in-charge with a huggies bag.

CLASS 2

The children of class 2 were taken on a value education field trip to St. Louis Institute for blind, deaf and dumb. The children had an interactive session with the teachers of their institute. The children of St. Louis Institute showcased their talent in many ways like singing, reading and teaching Braille language. Our children taught them to do a wall hanger using craft paper.

CLASS 3

90 students of Class 3 along with 4 teachers, 6 parent volunteers and 1 sub-staff visited "Vishranthi Old-age Home," Palavakkam for around 2 hours. Activities like singing, dancing and conversing with the grandmothers were done.

CLASS 4

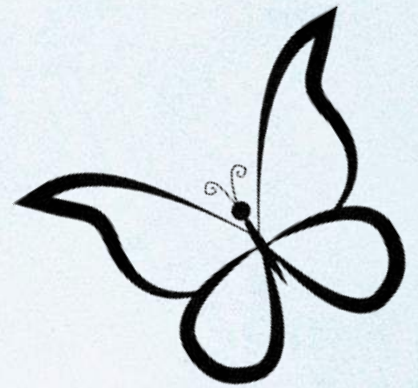

80 students of Class 4 with 10 teachers and parent volunteers had visited the Tree Park at Kotturpuram. They learned about trees and its uses with the students of Vidya Sagar, a special school. They even did a leaf collage activity together, embracing nature and inclusivity.

CLASS 5

Students of class 5 had the privilege of visiting Anbagam Old Age Home as part of our community outreach initiative. The visit aimed to foster intergenerational connections, spread cheer and offer companionship to the residents. Our students engaged in various activities planned for the day. The joy and laughter that filled the room were truly contagious.

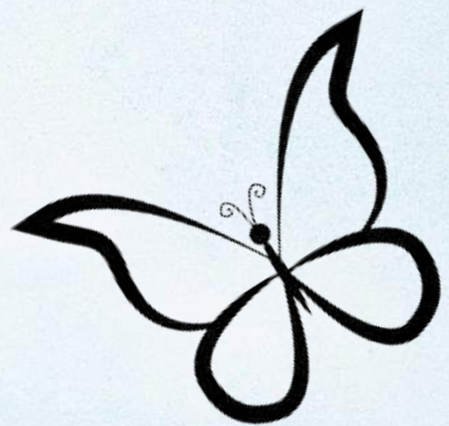

CLASS 6

The 6th grade students visited Mercy Home, Kilpauk, as part of their Value Education Field Trip. They spent time with the elders, engaging in light-hearted conversations and exchanging life stories. The presence of the students brought so much joy and even moved some of the elders with tears. It was a beautiful and heartwarming experience at the home!

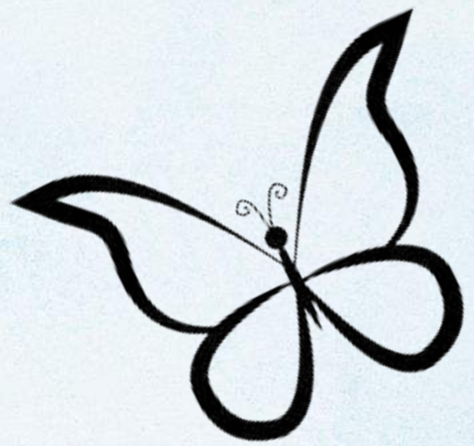

CLASS 7

68 students of Class 7 and 3 teachers along with 4 parent volunteers went for a Field trip to “Little Drops, Old Age home”, Porur. They visited the home, learned about its importance, and entertained the senior citizens with their songs.

CLASS 8

The students of Class 8 went on Value Education Field Trip to Ramakrishna Mission Students' Home, Mylapore. Our children presented a cultural programme for their counterparts. They interacted with each other and established a bond through various craft activities and exchanged gifts. Our children learnt the value of compassion.

LKG THUMB PRINTING – FEB 9

Our LKG students had a fun thumb printing activity. It was a sensory experience that strengthened their hand and finger muscles. The kids loved getting their hands messy and created beautiful flower impressions.

UKG SPRAY PAINTING – FEB 9

Our UKG kids had a super fun time spray painting. They used cut outs of different shapes like a duck, dolphin, butterfly, and more to create a beautiful masterpiece. It was a fantastic way for them to express their creativity and have a sensory experience with art. They really enjoyed it!

LKG WAX PAINTING – FEB 16

Our LKG students had so much fun with wax painting. They wrote the beginning letter of their name using a candle and painting over it. It was a creative way to teach reading and art, and the surprise messages and drawings made it even more exciting. The kids loved creating a special gift and exploring the magic of wax resist.

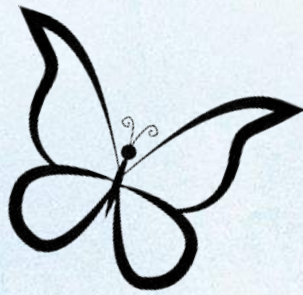

UKG CRAFT ORIGAMI – FEB 16

Origami is not only a fun activity but also a great way to enhance learning. Our UKG students had a blast making bunny origami. It helps improve spatial visualization abilities and allows them to better understand and describe their surroundings. It's a fantastic way for kids to learn and explore their environment through hands-on creativity.

CLUB CULMINATION

Students who participate in clubs not only gain new skills but also foster friendships and a collaborative mindset. On the day of the Club Culmination, our students projected all that they had learned over the term.

JUNIOR RED CROSS

Children explained the history, motto and objectives of the club which include Health, Service and Friendship.

LITERARY CLUB

On the day of Club Culmination, all the students of the Literary Club enthusiastically shared about their experiential learning and how these classes have inspired them to gain better knowledge during the club session.

SCOUTS AND GUIDES

As an integral aspect of the scouting experience, the children learned and made an improvised tent and various gadgets to manage in a camp using staves, ropes, and bed sheets.

HERITAGE

The Heritage Club functioned with the aim of creating awareness among the students by encouraging them to give free expressions to their ideas. Each member of the club is provided with a platform to express their ideas and their passion for heritage activities.

ASTRONOMY

Children presented their learning by covering topics like Black Holes, Dwarf Planets, Asteroids, Big Bang Theory etc.

HANDWORK CLUB

Children made wall hanging, photo frames, leaf skeleton, clay murals and portrayed their creativity.

BUNNY CLUB

Children presented the art and craft that they learnt in the second term and did a demo of the paint smudging activity.

CUBS AND BULBULS

Children learned how to be responsible and help others who are in need, with the available materials.

SILAMBAM

The practice of Silambam demands intense concentration, precise body alignment, and weapon synchronization. Concentration is progressively developed as a result.

COOKERY CLUB

The students of Cookery Club listed out all the dishes they made this term and demonstrated the method of making a tasty and healthy vegetable salad, along with a detailed explanation of all the steps.

CHESS

The students of Chess Club demonstrated the moves of chessmen and explained the techniques to capture other chess pieces.

MIME

The traditional Indian concept of expressing emotions through facial expressions was well portrayed by the members of Mime Club displaying the time zone in which Charlie Chaplin happens to visit our present generation, and his reactions to it were brought out.

KARATE

The students of Karate Club demonstrated the Basic Exercise, Basic Techniques, Leg Release, Back Bend, Self Defense, Thaichi, Kataa, Scissor Kick and Flying Kick for the Club Culmination.

ASSEMBLY ACTIVITIES

Each child has a unique talent that has to be fostered. During assembly, our students showcased their talents with a variety of activities on account of the National Science Day and the Scouts Thinking Day.

EXTERNAL COMPETITIONS

Murugappa Inter Institutional Yoga Competition

Murugappa Inter Institutional Yoga Competition was held on 6th February at Vellayan Chettiar Hr. Sec. School, Thiruvattiyur in which our students participated and secured second and third place.

National Level Silambattam Open Championship

National Level Silambattam Open Championship was conducted on 11th February at Montfort School Auditorium, St Thomas Mount in which our students participated and won first and second place. They received trophies and certificates for the same.

WIPRO-EARTHIAN PROJECT

On February 8, 2024, the C.P. Ramaswamy Environmental Education Centre hosted the Regional Recognition Event to honour the Regional Winners of the Wipro-Earthian Project 2023-2024.

Two teams from our school competed in the event and took home the Regional Award. J.S. Aswin Daniel, P. Nithesh, G.B. Pradeepa, K.R. Vishaka, and G. Yashwanth from Class 11 make up the first team. Class 7 students Jonitha, Manha Jasmine, Maha Shakir, Sai Samiksha, and Sahana make up the second team. Certificates and mementos were given to our students.

TRAININGS ATTENDED BY TEACHERS

Art Integration

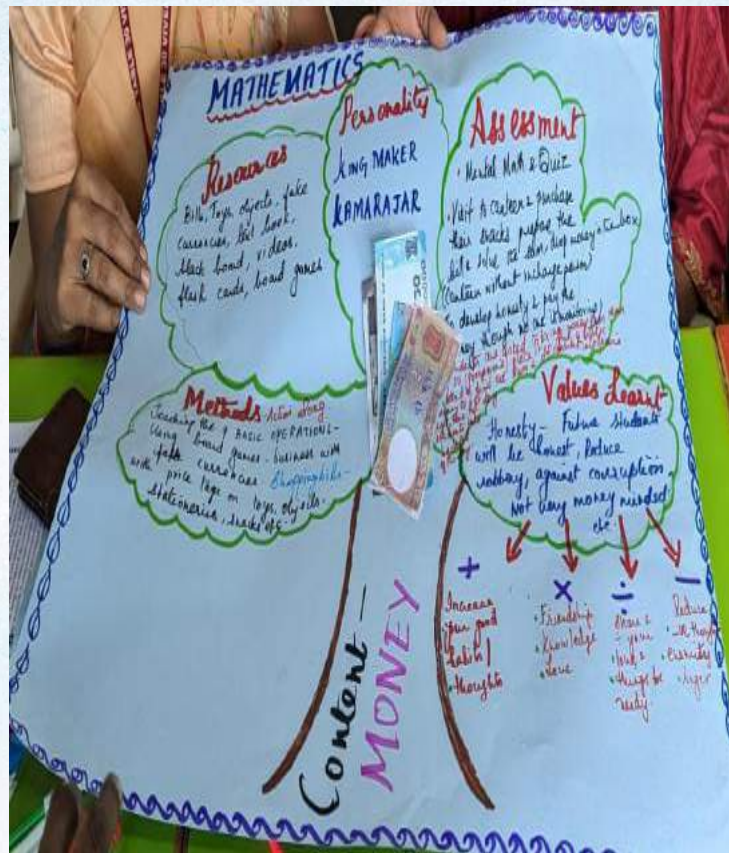

CBSE Training on Art Integration was conducted at The Pupil Saveetha Eco School on February 10, 2024. Activities were conducted to discuss how to effectively integrate art in a regular classroom setup.

Capacity Building Programme on Value Education

On 26th February, Capacity Building Programme on Value Education was conducted at Vivekananda Vidhyala. Throughout this training session, it was emphasized that values can be instilled in students by all the teachers in all the periods.
